## WEBSITE DESIGN PRICES

**We have CMS & HTML packages available.**

### WordPress Content Management System

Our CMS websites are template based - and we will brand the template to match your Corporate Identity. We can select a design template for your website or we will customise the template as per your request, based on the example websites you give us that you like. CMS Websites have an administration login as well - so should you wish to edit your site your website yourself.

Newborn really means. Newborn is anything from 5 days to 10 days as an absolute maximum age. Anything older than this classifies as “Baby” photography and not newborn. The problem is this: from 10 days and older, these little ones start to realize that they are actually alive, awake and possess a good strong voice and a will of their own!! The
